Fees for Middle and High School Youth Program

Due to your continued generosity in our parish's "Giving in Gratitude to God Increased Offertory Program" we only ask for a \$25.00 per student suggested donation. This is half of last year's required fees. With sincere gratitude we thank you for the blessing of your offertory donations in providing Catholic formation for our middle and high school students.

Please mark one of the following:

_____ # of students x \$25.00 = _____ attached with this registration form

_____ I cannot make a donation at this time, but I will hold the formation program in prayer.

MANY THANKS AND BLESSINGS!

If you have any questions please email Joy Weir at jweir@richmondcathedral.org
